<p>Project #2094579 Project Title: PCORnet Phase III Milestone - GPC-VA Data Linkage Pilot Study Principal Investigator: Xing Song Primary Contact: Xing Song</p> <p>Dear Investigator,</p> <p>The MU Institutional Review Board reviewed your application and supportive documents. It has been determined that this project does not constitute human subjects research according to the Department of Health and Human Services regulatory definitions. As such, there are no further IRB requirements.</p> <p>Information provided in the submission indicates (a) this activity is a Quality Improvement Project not requiring MU HRPP/IRB review. It is your responsibility to ensure approval from an authorized person in the organization/location/area you plan to conduct your QI activity. Note Regarding Publications: It is appropriate to disseminate and replicate QI/program evaluation successes, including sharing the information external to an organization. This may include presentations and publications. The mere intent to publish the findings does not require IRB review as long as the publication does not refer to the activity as research.</p> <p>If you have questions, please feel free to contact the MU IRB office at 573-882-3181 or email at muresearchirb@missouri.edu.</p> <p>Sincerely,</p> <p>MU Institutional Review Board</p>
